Deputy Clerk Johnson stated there are ordinances before the Committee, which are listed on the agenda. I would advise that all of the ordinances were presented to the Board, referred to the Committee on Bills on Second Reading. The Committee on Bills on Second Reading voted that they ought to pass and that report has been accepted by the Board. For the Zoning Ordinance amendment, a public hearing was held pursuant to State law. We would advise that the Board has taken action to enroll them and in our opinion they are properly enrolled.

On motion of Alderman Thibault, duly seconded by Alderman Lopez, it was voted to advise that the Ordinances presented were properly enrolled.

There being no further business, on motion of Alderman Lopez, duly seconded by Alderman Guinta, it was voted to adjourn.

A True Record. Attest.
